- Complete all required demographic and attendance paperwork in a timely and accurate manner
- Advise Community Program Manager regarding program design, training, consultations, outreach
- Turn in timesheets and mileage/parking reimbursement paperwork when due
- Notify clinical supervisor if a group member is especially stressed, acting out, or presenting behaviors that are beyond the scope of the group

Qualifications:

- Mental health training (mental health first aid, WRAP (Wellness Recovery and Action Plan), extensive peer support experience, group facilitation, experience with PEI (Prevention Early Intervention) programs, or mental health license
- Able and willing to work to create a safe, inclusive group space for LGBTQIA+ community and other diverse groups
- Understanding & knowledge of LGBTQIA+ issues
- Able and willing to refer group members to additional resources as needed
- Experience running support groups will be prioritized
- Commitment to confidentiality and strong ethical values
- Willing and able to set appropriate and healthy boundaries
- Advocate for and model recovery and wellness
